Attention Marlene H. Dortch:

This letter is in response to the denial of our District E-rate application for month-to-month Telecommunications and basic internal connection service for Funding Year 2009. I am requesting either a reversal of the decision or a waiver of the ruling so that we can continue to receive funding for technology services. E-rate funding is critical in providing funds for technology that is so vital to our children in Eminence.

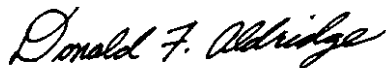

No. of Copies rec'd _____
List ABCDE _____

For FY2009, form 470 was submitted for Priority One. The form was completed online. As a new District Technology Coordinator, I am still learning about the E-rate program. On March 9, I was notified that our form 471 was denied. While earnestly attempting to complete the form correctly, I overcompensated by referencing the FY2008 form 470 number on the FY2009 form 471. Once corrected, I was notified that funding was denied due to Form 471 signed and/or submitted prior to the Allowable Contract Date of the above referenced Form 470. Attempting to resolve the issue as to why the online application allowed me to file within the 28 day window, I called USAC and was told that since the incorrect 470 number referenced was from the prior year, the online application process did not block me from submitting form 471 within the 28 day window.

This funding denial puts our district in fiscal crisis, as the discounted E-rate funding for these services is the only funding source. We are requesting waiver of the program rule for competitive bidding in the interest of our students and teachers. We sincerely request that this service not be denied since it is so critical to the successful educational experience of our students and with our parents. Injury to our school district, if this denial is not rescinded, is inescapable.

Knowing that the E-rate program is a complex program, I have diligently worked to become knowledgeable of its rules as a first year filer. We do not want the error of filing to deprive our students of the education that they receive from this service. Granting the 471 application is consistent with program integrity and with public interest. Your consideration for either a reversal of the decision or a waiver of the ruling so that continued funding for technology services would be greatly appreciated.

Respectfully,

Donald Aldridge

The Program Integrity Assurance (PIA) team is in the process of reviewing all Funding Year 2008 Form 471 Applications for schools and libraries discounts to ensure that they are in compliance with the rules of the Universal Service program. We are currently in the process of reviewing your Funding Year 2008 Form 471 Application. To complete our review, we need some additional information. The information needed to complete the review is listed below

I.)

FRN 1807251 is listed as a tariff (T) or month-to-month (MTM) service, and Funding Year **2008** Form 470 # 178060000659955 is referenced as the establishing Form 470 for this service. The rules of this program require that services delivered on a tariff or month-to-month basis be posted for 28-Days to a new Form 470 each funding year. Since the referenced Form 470 was not filed in the same Funding Year as the Form 471, the request is in violation of the competitive bidding requirements relating to tariff and month-to-month services. Please answer the following questions and provide any relevant documentation.

Is there a FY 2009 Form 470 that established the bidding for this tariff or month-to-month service?

796520000 722314
☒ **YES.** If so, please provide the 15-digit Form 470 Number that established the bidding for this request. The establishing Form 470 is the specific Form 470, which was posted for the services requested for 28 days, and pursuant to which a contract was signed or an agreement was entered into. The establishing Form 470 could have been posted by the State, if the requested services are being purchased off of a State Master Contract.

If a FY 2009 Form 470 was **not** filed to establish the bidding for this service, please indicate such in writing.

Please fax or email the requested information to my attention. If you have any questions or you do not understand what we are requesting, please feel free to contact me.

It is important that we receive all of the information requested **within 15 calendar days** so we can complete our review. **Failure to respond may result in a reduction or denial of funding.**

If you need additional time to prepare your response, please let me know as soon as possible.

Should you wish to cancel your Form 471 application(s), or any of your individual funding requests, please clearly indicate in your response that it is your intention to cancel an application or funding request(s). Include in any cancellation request the Form 471 application number(s) and/or funding request number(s), and the complete name, title and signature of the authorized individual.

Thank you for your cooperation and continued support of the Universal Service Program.
